***Drawings***

1. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawings filed on 12/19/05 have many connection lines that are faded. Therefore, many look as if they are disconnected. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

***Allowable Subject Matter***

2. Claims 1 and 3-10 are allowed.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Y. J. Han whose telephone number is 571-272-2078. The examiner can normally be reached on Mon-Fri 6:30am-3:00pm.
